WINEMAKER NOTES

Grazioso literally is defined as a musical term by which you play the entire movement in a light, flowing, graceful style. For the second vintage of Grazioso, we moved to all Torrontes to show off the big floral aromas and fresh, yet complex tones typical to the pride of Argentina's white wine fame. This 100% organically grown wine comes from 30+ year old vineyards, 1800 ft. above sea level. The grapes undergo cold fermentation in stainless steel to ensure a strong acid structure.
